

Star of the Sea Science Lab personalized tiles

We still have tiles available - the perfect opportunity for you and your family to become a recognized part of Star of the Sea's Science Lab. Personalized tiles will be placed throughout the Science Lab, in the wall between the windows.

You may choose a message of 1, 2, 3 or 4 lines in length (no difference in cost) and up to 18 characters per line. (Our engraver automatically centers each line.) Each box should contain no more than one letter or punctuation mark. Leave a blank box to indicate a space between words. You may use upper and lower case letters. Please print neatly. Fonts available are Amsterdam, Calibri, Arial and Comic sans (circle your preference). All fonts will be in black.

We reserve the right to refuse printing tiles for any reason, including but not limited to foul language, political statements, or any inappropriate message as determined by the Star of the Sea School Administration.

Cost: \$100/tile (please reproduce this form for multiple tiles with different messages)

Panels and decorative tiles are available, pricing will depend on size and image of panel.
