

YARD DUTY VOLUNTEERS**

We are inviting parents to share in the school's yard supervision responsibility. By volunteering you will help keep the children safe and organized. Yard supervision is simply a matter of having adults in the yard while the children are playing. The adults see that common sense rules of safety are followed, and that children do not get too rough. A staff person and/or the parent volunteer circulate in the yard so the children are aware of their presence. It is not the responsibility of those on yard duty to settle arguments, to teach skills, nor to referee/umpire games. A gentle reminder, please refrain from using your cell phone during yard duty.

****Lunch duty requires your presence from 12:10 until 1:15. Please sign in at the front door prior to attending to your duties in the cafeteria/yard. Once you have completed your 'duty', please then sign out.****

If you volunteer and are assigned this time, you will receive notification. If you do not receive notification of the assignment, it means that we had more volunteers than we could use. If you are assigned and you are unable to serve, please call the office so that we may arrange for a substitute.

Please circle the date(s) that you are available.
